## SAGATUG meeting Friday February 13th

### Hello SAGATUG Members!

Well it's that time again. I didn't forget about the meeting, but I almost forgot to send out this reminder. Meeting will start at 7:00pm as usual at the Arcadia Park Senior Citizen's Center. Art Heywood won't be present, as he has business out-of-town that night. Yes, donuts will be available: I will be standing in this month as donut monitor. I haven't heard ANYTHING from Bob Allen, so I have nothing to report concerning his move or how he's doing.

~John

### On the Agenda by John Calhoun

I still have a few catalogs left from O'Reilly Direct (books) that includes a 20% discount for our members.

I also have a new little gismo I'd like to show everyone. It's called a GROOMouse. You'll have to attend the meeting to see what it does. . .

If anyone is interested in taking over the Interface Newsletter, I have free software to get you started: "Microsoft Publisher 2003 with Digital Image 9 Professional." This is the newest version that just came out a few weeks ago.

For those of you that contacted me and told me you thought we had disbanded, consider this is a special invitation for you to attend this month's meeting! We MISS you! **See you Friday!**
